PROFESSIONAL SUMMARY

A results-driven **Growth Engineer and Full-Stack Developer** with over 5 years of experience bridging the gap between advanced software engineering and marketing intelligence. Specialized in developing complex web and mobile applications, building automated CRM systems, and leveraging AI tools for data processing. With a strong background in Technical SEO and Inbound Marketing, I don't just write code—I architect scalable software solutions that drive lead generation, optimize the user journey, and automatically maximize ROI.

CORE COMPETENCIES

Software Engineering

PHP / Laravel / Blade Python (Data & AI)
Dart / Flutter Vue.js / JavaScript
RESTful APIs & Sanctum MySQL / DB Design

Growth & Marketing Automation

Inbound Marketing Technical & On-page SEO
CRM (HubSpot, Salesforce) Sales Funnel Engineering
Google Ads & Analytics Email Automation

WORK EXPERIENCE

Technical Marketer & Lead Developer 02/2022 - Present HireHub Job Agency | Khartoum, Sudan

- System Development:** Architected and built the core HireHub CRM and Recruitment Engine using PHP/Laravel to automate the hiring cycle for over 800 medical consultants.
- Growth Automation:** Engineered an automated inbound marketing funnel integrating HubSpot to attract leads and minimize acquisition costs (Zero-Cost Lead Gen).
- Data Protection (AI):** Developed a Python-based CV Redactor App utilizing NLP to automatically blur personal contact details from PDFs to ensure data privacy.

Technical Marketer & App Developer 02/2024 - 04/2025 Alqash E-commerce | Qatar (Remote)

- Mobile & Web Architecture:** Built the Alqash Mobile App using Dart/Flutter and connected it to a custom PHP Backend to handle e-commerce operations.
- Digital Strategy:** Executed multi-channel marketing campaigns (SEO/SEM) aligning the technical infrastructure with business goals to boost traffic and conversions.

Technical Marketer & SEO Specialist 07/2022 - 03/2025 Sindawa Trading Company | Riyadh, KSA

- Technical SEO:** Conducted deep technical SEO audits and code optimizations, successfully increasing organic traffic by **40%**.
- App Development:** Developed the 'Sindawa Seller App' (Dart/Flutter) to empower merchants with an independent dashboard to manage stores and track ROI.
